New Dog Park- Shade Structure Options

Need approximately 150 to 200 square feet of coverage per concrete pad

Building community through parks and recreation.

Shade Structure Options

- COT Parks requires durable structures and materials that are long-lasting.
 - Metal, Masonry, Shade sail fabric (15-year warranty) and metal poles
 - No wood or plastic structures
- Need direction on design options and acceptance from TPC Historical Commission
 - Are shade sails and metal poles acceptable?
 - What ramada designs are acceptable and not acceptable?
- No funding at this time, but will seek funding once cost estimates are developed
